wine list

june

featured wine region: **beaujolais**

beaujolais is located in the most southern part of burgundy, but is very distinct in it's focus on light, fruity gamay wines instead of pinot noir. there are 10 cru villages within beaujolais, each producing high quality red wines from gamay. white wine in beaujolais is chardonnay, rosé is gamay; both labeled "appellation beaujolais contrôlée" as only the reds can be given cru labeling.
